

2018 KANSAS CITY FESTA ITALIANA
JUNE 1ST – 3RD
FOOD VENDOR GUIDELINES/LEASE AGREEMENT

IMPORTANT:

We have had a overwhelming response from vendors wanting to participate and now have a waiting list so it is imperative that you complete and return with check or money order by MARCH 31, 2018 or your space/item(s) sold last year will not be guaranteed. After March 31st your space will become available to new vendors.

The following items apply to all vendors unless specified otherwise in writing.

- * **Food vendors will not be allowed to sell beverages. All beverages will be sold by Festa.**
- * Vendors will be expected to have their booths completely setup at least 60 minutes prior to the start of the festival each day. **Food Vendors must remain open during all hours of the event, from start to finish. Failure to remain open during all hours of the event will result in vendor NOT being asked to come back next year.** Vendors must be professional and order inventory accordingly. Have a back up plan in place, should you sell out. (i.e. sell gift certificates for your restaurant.)
- * Each food vendor is required to redeem (10) \$5 Food Vouchers from the entertainers. FESTA will be responsible for printing 10 vouchers unique to each food vendor. These will be given out directly to the entertainers by a committee member. We truly appreciate your support in helping us keep costs down for us to give away the maximum amount we can for scholarships.
- * Vendors will be allowed a 10-foot-wide banner, not to exceed 24 inches in height, to be hung in front of the vendors' booth.
- * There will be designated areas for food & beverage booths and for crafts booths. Booth placement will be determined based on menu items sold (i.e. Vendors serving pasta will not be next to each other). The FESTA will decide booth placement.
- * Vendors will be told of drop-off sites for loading and unloading, and also locations to park their vehicles during the event. **Absolutely no vehicles or trucks parked within the Festa grounds during Festa hours.**
- * All staff of vendors will be expected to wear a shirt or uniform of the business they represent. FESTA retains the right to disallow access to any vendor or employee if their dress is deemed inappropriate.
- * Vendors will comply with all local, city, and state health and liquor control rules and regulations. Vendors will supply all necessary items, etc., to accomplish these goals.

- * All vendors will need a fire extinguisher in their tent. Please call the Kansas City Fire Prevention Division 816-784-9100 to ask what type of fire extinguisher you'll need to bring.
- * Grease disposal is the responsibility of vendor and must be disposed properly, in accordance with Health Department and EPA standards.
- * Vendors are asked to respect the Zona Rosa grounds. Please place temporary flooring if using grease or other products that can stain or disfigure the grounds.
- * FESTA will provide trash removal throughout the event. Vendors are responsible for the condition and cleanliness of their site during festival hours and after teardown. Site condition and cleanliness will be factors in determining vendor participation in 2019. **Each vendor must break down their own boxes and place them near their booth. Failure to do this will result in vendor not being asked to come back next year.**
- * **INSURANCE** – All vendors must provide FESTA with certificate of insurance that lists FESTA and Zona Rosa as additionally insured under a \$1 million general liability insurance policy.
- * **Food vendors must provide all electrical needs to the festival when returning their signed contract. No changes will be made when you arrive at Festa!!!!!!**
- * **SHOULD YOU CHOOSE TO BRING YOUR OWN TENT OR TRAILER, YOU MUST SUBMIT A PHOTO WITH YOUR APPLICATION. WHITE TENTS ARE PREFERRED BY ZONA ROSA!**
- * **Please call the Kansas City Health Department (816-513-6315) to go over your temporary health permit application. It is vendor's sole responsibility to obtain the city health license. Health Department will not allow you to open without permit and health inspector must approve your operation. Permit fee is mailed to the city.**

Festa Vendor Committee:

Michael Mange: 816.210.3897

TENURE POLICY: A tenure policy has been established. This status is granted to a food vendor after two years if the group has successfully demonstrated an organized, sanitary, productive, aesthetically appealing, and financially responsible operation. Tenured status assures the vendor of their “exclusive” food item for the next year unless the sales of an “exclusive” item are below industry standards compared to other items at the event. If this would be the case, the vendor would lose this status and may have to share the menu item with another vendor or not be able to sell that item at all. Menu changes approved by the Festa Committee will not affect a vendor’s tenured status. If the event must be relocated, every effort will be made to give the vendor a comparable location taking into consideration electricity, space, and other factors.

The tenured status can be nullified due to non-conformance with the established guidelines, substandard sales or any other issues deemed not in the spirit of the Festa Committee.

FOOD VARIETY: Tenured vendors will automatically be allowed to sell the “exclusive” menu item approved by Festa Committee. No two vendors are allowed to sell the same “exclusive” menu item at the event (unless the “exclusive” item has been “grandfathered” or both vendors have mutually agreed). An “exclusive” menu item may be a food or beverage item. Any vendor violating the “exclusive” rules will be notified and must cease the sale of that item. The Festa Committee reserves the right to restrict or limit menus submitted. All the items that you plan to sell must be on your proposed menu.

Below, please include a list of all the items and price points that you are intending to sell. Again, you will only be allowed to sell items that you list on application!
